NIKKI R. HALEY
GOVERNOR

1205 PENDLETON STREET
COLUMBIA 29201

Dear Friends,

It's a great day in South Carolina when we can celebrate the awesome achievements of a native son. Camden Riviere started his journey to a world-ranking in real tennis right here in the Palmetto State, and he has had quite a trip! A dream twenty years in the making has been realized through his defeat of Rob Fahey to win the Real Tennis World Championship, and we couldn't be more proud.

Camden, you have proven yourself a formidable player on the real tennis courts with a very impressive career thus far. Through your determined spirit and commitment to personal excellence, you are setting a wonderful example for young people here at home and abroad, and many will look to you for inspiration as they pursue their goals. On behalf of the people of South Carolina, I am delighted to congratulate you on winning the Real Tennis World Championship. We wish you the best for continued success and can't wait to see what you do next. God bless.

My very best,
