The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Dear Honorable Ms. Haley:

I am a volunteer at Lieber SCDC in Ridgeville providing our 2nd Jumpstart class there. The class and volunteers would be extremely pleased to have you attend the class graduation that is now planned for noon time on June 21. However, lockdowns may delay this. I am sure you would be very impressed with the graduates in how they respond to correction rather than punishment so they can return to society.

Also I want to inform you of lockdowns at Lieber preventing volunteers from having class because of insufficient Lieber staff to permit classes. I am told it is a funding problem but I am not asking for funding rather simply for your attention to the problem. If the problem is funding your help in providing it would be appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Don Meis".
