---

Hi Katherine,

It looks like Sarah got to most of your questions. Sorry about the misunderstanding about the centerpieces- we provide our weekly bud vases and fresh flowers for your convenience, but as Sarah said, they are not as large as the photo of the centerpieces you have in mind. We use Circle of Life, specifically Nancy, who can be reached directly at 843-837-6655. I will send her a quick email to let her know you may contact her. We can definitely request that yellow tulips be used for our weekly arrangement during that time and you are welcome to use them as you please.

Casey said he had the same email about the name of the area for the photos and locker rooms, did he answer those for you?

We have not heard back from the company about the stage dimensions, but I'm sure we will hear back tomorrow morning. We will forward you any information at that time.

Please let me know if I've left anything out!

Thank you,  
Amanda

Hi Katherine,

Sarah just forwarded me all of the emails regarding the FGI. I do apologize for the confusion, but I do want to make sure we are all on the same page. I directed the phone call regarding AV to Sarah as she was in the office that morning and is more familiar with the AV company. Please do direct any other questions to me, but feel free to copy Sarah as well. I will go through all of the emails, and answer any questions Sarah did not get to this afternoon. Thank you.

Sincerely,

Amanda Schultz
