Christian,

Thanks again for letting me fill in for Rick on Friday. I thoroughly enjoyed our conversation, and look forward to seeing how the project develops in South Carolina over the next few months. As always, we're here to help however we can.

Not sure how DHEC/DSS folks felt post the late morning and afternoon meetings, but I walked away excited to see how departments think about future PFS options in the state. I promised to follow-up with more information about related projects around the country, and they said they would be debriefing with their program staff about PFS and potential alignment with their priorities.

All the best,

Peter

Hi Christian,

Looking forward to our conversation this morning. I just got in to Columbia and looked at Rick's exact schedule - it looks like I'm with Treasurer Loftis at 9:30 for 30 minutes, which means I may be a few minutes past 10 by the time I get to the Governor's Office. My apologies for the tight scheduling.

See you soon,

Peter

Thanks – our DSS folks have a particular interest in discussing potential applications for SIBs relating to child care, child abuse prevention, and the transition from welfare to work, so if you have particular cases/experiences with projects along those lines, they'd be especially interested in hearing more about those.

Just to follow-up, I have you penciled in to meet with me at 10, and then if you're available, with Jamie Shuster from our Department of Health and Environmental Control at 11 and also Lillian Koller, the Director of our Department of Social Services at 1PM. Would those times work? It would all be in our conference room. Thanks.

Sure – 10AM Friday would work best. I can check with our Departments of Social Services and Health and Human Services about meeting as well, since those are the agencies under the Governor's jurisdiction that are responsible for the largest share of our social welfare programs. Thanks.

Christian, how is 9 or 10 am on friday, 21st? I will be in nyc and will fly down thursday late. Joe also wants to meet with me on friday. Do you have any other government folks that I should meet with to introduce Third Sector to? I think our agenda can focus on making sure Third Sector is best positioned to help you launch in early 2014. Regards. Rick

Rick,

Sorry – I know I’m overdue getting back to you. I just got your VM a minute ago. Of those dates, the 21st would be the best on my end.

Our regular session ends this Thursday, but the budget’s still quite a way from being finished, and there are a few other major initiatives that may also sneak into the extended session that will likely run for the next couple of weeks.

Thanks – talk to you soon.
