Dear Chairman Matthews

I am responding to your request for clarification to items on my credit report. I have been in contact with Equifax to correct discrepancies, and was told that due to my request the items will be removed from report within 30 days. I have also made agreement with The Dept. of Education to enter their voluntary Rehab Program making payments for the next 9 months.

Thank you so much for your help, and please feel free to contact me for further information.

Blessings

Justine Lee - Halls
