The Honorable Nikki R. Haley  
Governor of the Office of the Governor  
1205 Pendleton Street  
Office of the Governor  
Columbia, SC 29201

Dear Governor Haley,

I am writing to respectfully request your signature on a package of bills that are an important step to ensure that regional center services are provided in a linguistically and culturally competent manner.

This legislative package includes the following measures: SB 555 (Correa) SB 158 (Correa); SB 367 (Block); SB 208 (Block); AB 1231 (V.M. Perez); AB 1232 (V.M. Perez).

These proposals have been narrowly crafted to ensure that California remains compliant with all federal statutes and that the regional centers utilize cost-effective best practices and outcomes. They have been approved by the Legislature with bipartisan support and without a single “no” vote.

Please sign all of these important measures to promote equity and diversity for all Californians who are overcoming autism and other developmental disabilities.

Thank you!

Sincerely,

DaVona Reed
