Subject: Tomorrow's flag furling

Members of the General Assembly,

Below is additional information for tomorrow's flag furling.

Here is the process for tomorrow's furling:

The Statehouse will be secured tomorrow morning until 11:00 AM, so the only access to the building will be through the garage. The furling will be viewed from the top of the north Statehouse steps.

Members and invitees **should arrive between 9:20 and 9:45** and should go directly to the second floor lobby to assemble. The outside doors to the second floor landing on the north Statehouse steps will be secured until it is time to go outside.

At 9:50, or immediately after the Governor exits the 2nd floor outside doors – whichever is later – members and invited guests may proceed through those doors and assemble on the north steps. The steps will be roped-off at the first landing and secured by BPS officers.

Promptly at 10:00, the DPS detail will perform the furling, which should take approximately 10 minutes.

Following the furling, members and invited guests should re-enter the building through the 2nd floor landing doors – the same way they originally exited the building. BPS officers will not allow attendees to continue down the steps onto the north lawn.

Notes:

Doors will be secured until it is time to exit the building.

Due to limited space on the steps, only invited guests should attend; there will not be space for spouses or additional guests.

Thank you,
Haley
