Tori Beth,

Just seeing this – I didn't know he'd be attending the conference. Did Darryl get back to you over the weekend re: the highlighted portion (I know he's on vacation this week)? Let me know what the LG needs / how I can help.

Hey!

As you both know, the Lt. Gov. will be attending the Sheriff's Association Conference in Myrtle Beach next week on the 11th and 12th. The morning of the 12th, he will be speaking to all of the sheriffs at their business meeting and discussing the possibility of focusing more on our senior population and what that would look like (in regards to their specific needs and training ect...). Darryl, based off our meeting with the officials in Mt. Pleasant, how do you think he should present this to them? He will have about 10-15 minutes and I was thinking he could speak for about 3-5 and then open it up for discussion, asking if their departments do anything specific to reach/care for the senior community and what issues they see specifically. This would also be where he could pitch the idea of round table discussions throughout the state to cover this topic.

Do you have specific bullet points, topics or statistics regarding seniors and law enforcement he could/should cover?

Thank you!!
Tori Beth
