I'm sure that you heard, but we didn't arrive until 7, and everyone was gone. I believe that he talked to Senator Setzler, but we are very sorry to have been late. Please let me know of the next event, and we will not fail to be there at the right time. Thanks

Danny,  
I don't know if you and Lt. Governor are available but Sen. Setzler asked me to let you both know we would love to have you drop by. I'm sure Sen. Setzler will touch base with Lt. Governor tomorrow.
