Excerpt:

Senator Schumer:

"Do you consider Roe v. Wade to be an abomination? ..."

Brett Kavanaugh:

"... If confirmed to the D.C. Circuit, I would follow Roe v. Wade faithfully and fully. That would be binding precedent of the Court. It's been decided by the Supreme Court."

CCL Comments :

1) This is what the Lindsey Graham and Susan Collins types refer to as upholding "stare decisis",  
or standing on a (precedent) decision.

2) However a federal judge takes an Oath to support and defend the US Constitution, NOT "stare decisis" or court precedent. If a federal judge upholds "stare decisis" in the case of a grossly wrongly decided case (e.g., Roe and Obergefell), rather than the written text of the US Constitution, then he or she is breaking their Oath of Office.

3) Brett Kavanaugh is an establishment / "swamp" / "Deep State" nominee, not a constitutional originalist. Brett Kavanaugh is a protector of Roe v . Wade, NOT the US Constitution, and NOT the judicially innocent unborn.

4) Please call your US Senators (202-224-3121) and ask them to vote "No" to the nomination of establishment pick, Roe v Wade protector, Brett Kavanaugh.
