Swati Patel, chief legal counsel  
S.C. Gov. Nikki Haley's Office

Ms. Patel,

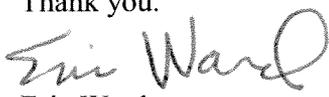

Pursuant to the S.C. Freedom of Information Act, I request copies of all documents – digital or paper – in the possession of the S.C. Governor's Office pertaining to the posting of Gov. Nikki Haley's name and title of governor on "Welcome to South Carolina" signs along roadsides in South Carolina.

This request includes any related emails and text messages sent by and/or received from the Governor and any other Governor's Office staff members/employees, including her transition team members, before or after Gov. Haley took office.

The state FOIA requires a request under the law to be responded to in writing within fifteen (15) business days or the request is deemed granted. However, in the interest of timeliness, I ask that this request be fulfilled as soon as possible.

If there would be any copying or research fees associated with this request, I ask that those fees be waived, as I am seeking this information in the public interest. If any fees cannot be waived, I ask to be informed of what those fees would be prior to this request being fulfilled.

Thank you.

  
Eric Ward
