Subject: Clemson Wind Turbine Drive Train Testing Facility

Katherine,

Great to see you at the game Saturday despite the outcome!

I am following up on our conversation about Governor Haley attending the grand opening of the Clemson Wind Turbine Drivetrain Testing Facility in North Charleston.

The event is scheduled for November 21st at 3:00 pm. She should have received a letter and a formal invitation to the event. If she can attend, she will have the opportunity to speak and be a part of the program. This is a very exciting project for South Carolina and our hope is that Governor Haley can be a part of this extraordinary event.

I will be happy to send you further information on the project and/or the event, or discuss with you at your convenience.

I look forward to hearing from you.

Kathy
