- Purpose of Meetings: Thank Senators for supporting true independent investigations and ask them to continue to support Larry Martin's proposal and vote against Rankin's proposal. We also need to ask for support for special order for the ethics bill - H. 3722.
  - Senator Alexander: Voted against the Rankin amendment on the Floor. Note: Alexander said he wasn't asked by Leatherman to vote for the Rankin amendment but he planned to continue to vote with us. (Note: Alexander is always interested in the status of DSS Child Support project. Also, as LCI Chair there may be an opportunity to discuss Workforce Proposal.)
