Subject: SCE&G ~ Website email from Mark Whetstone

---

Dear Kevin Bryant My name is Mark Whetstone. I live at 257 Somerset Avenue Norway SC. I have worked for SCANA/SCE&G over 29 years. Our company employees more than 5000 employees that pay local taxes and supports local businesses. As a citizen and a voter, I am writing you to ask that you oppose legislation like H.4375 and H.4380, which would be extremely detrimental to our company as a whole, and to our employees and their families. Our company's new leadership has put forward a thoughtful solution to outstanding issues regarding SCE&G's abandoned nuclear construction project. The company's proposal would reduce costs for our customers while simultaneously expanding energy production for their benefit. It's a reasonable solution for addressing the concerns we've heard from our customers, our legislators and our regulators. I urge you to support the proposal. Please contact me with any questions. Thank you. Sincerely, Jon Mark Whetstone 803-682-3011
