The streets of heaven are too crowded with angels tonight. They're our students and our teachers and our parents and our friends. The streets of heaven are too crowded with angels, but every time we think we have measured our capacity to meet a challenge, we look up and we're reminded that that capacity may well be limitless. This is a time for American heroes. We will do what is hard. We will achieve what is great. This is a time for American heroes and we reach for the stars. God bless their memory, God bless you and God bless the United States of America. Thank you. "
