Subject: Student leaders

I am the coordinator for the Model UN at Irmo Middle School. We would like to have the opportunity to get a tour of the state house, and the opportunity to see government in action. My students have seen the typical state house tour, but they have a high level of interest in government and wanted to know if we could schedule a day for a tour to see the state house grounds, and even see the senate or House during an open session.

Thank you for any help arranging this for my students. We would be very grateful for this opportunity!
