Mr Gleason you are in big trouble and have crossed the line . I am also demanding the packet pull all harmful false blogs immediately . My team of experts and investigative reporters have discovered you work for the tax assessors office Hilton head branch and seems you have been asked by others to investigate me to try and silence me . I see a multi million dollar lawsuit from this and serious local , state and federal investigations . Seems you also have a very close working relationship with Steve riley , Brian Hulbert and Gregg Alford .

Mr Gleason let me now put you on notice with law enforcement Cced you are in big trouble as is your connected co conspirators

May you and all co conspirators have a very Merry Christmas and a Happy non corrupt New Year . Perhaps some on our island will spend this time of the year behind bars next year and beg God for forgiveness . This will not be me !!!!Thx

With every passing day, I better understand why SC is nationally regarded as the most corrupt state in the U.S.  
I wish it would secede from the Union again -- and this time be allowed to go!

**Subject:** Fwd: Screen shot below I openly challenge Bill miles david tigges and ray deal

Seems I now have another lawsuit with damages against this Gleason person accusing me of fraud below in screen shot . Seems I am going to profit from all this abuse to me now , and this was not my plan . Legal fees and damages perhaps will mount from all this on both Mayors as well . Imagine the Governor and many state leaders are watching now and concerned where all this is headed . Perhaps an emergency summit and meeting of business leaders is mandatory now . I also think ACLU must get involved and this story must go national . Something is bad wrong in SC when a respected business man is silenced from freedom of speech and taken out of a building by police on both arms .. To violate the most basic right we have to freedom of speech and right to public comment is beyond anything one could imagine in the USA . I felt like I was in Venezuela or China . It's very sad we have arrived here all because of a corrupt Hilton head chamber run by dictators , crooks and thieves of public monies . Even sadder no one will force the audit like Palm beach to prove it.

I know openly challenge and cc Bill miles , David tigges and ray deal to open your books and volunteer to an audit NOW to end this once and for all , and prove once and for all who is the Crook Skip hoagland or Bill
