Press Secretary Chaney Adams,

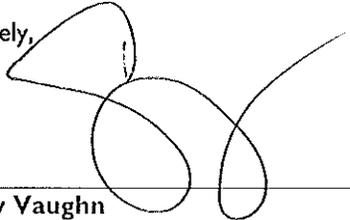

Pursuant to the South Carolina Freedom of Information Act, I request copies of any written communication, including emails sent to and exchanged with the Governor, related to the developments below:

On June 17, 2015 nine people were killed by gunman Dylann Roof at Emanuel AME Church in Charleston. Following the attack, calls were made by state leaders, including Gov. Nikki Haley, to remove the Confederate flag from Statehouse grounds as Roof himself posted photos of himself with the flag online prior to the shooting. On July 9, 2015 following votes by the state House and Senate, Gov. Haley signed a bill into law removing the flag. The flag was taken down on July 10, 2015. The Governor's Office received thousands of emails during that time period regarding her support of taking down the flag.

As this request primarily benefits the general public, I request that any search, copying or dubbing fees be waived.

If there is a charge for providing me access, please advise me of your estimate of the charge and the basis for the charge.

Sincerely,

Casey Vaughn
