Bill,

Thank you for sending me the letter and for your encouragement. Your grand-daughter can contact our office and we can help her find any possible with any possible scholarships. Our phone number is 803-734-2079

As for Bill Jr. addressing the senate, the only time the legislature accepts public testimony is in sub-committee hearings. I would suggest that he come to Columbia and testify on diabetes when there's a hearing on diabetes. Also, the Finance sub-committee that works with healthcare funding would be another opportunity.

I hope you and Barbara have a safe 4th.

Thanks for your friendship!

Kevin
