Rob,

I am writing a story about this letter for tomorrow. In the attached letter, the Coastal Conservation League asks the governor to intervene to stop the DOT from removing trees in the median on I-26 between Summerville and I-95.

Does the governor have a comment on this request?

Thanks

Prentiss,

Attached is a letter from our attorneys, Leath, Bouch & Seekings, regarding the DOT's plan to remove the trees in the I-26 median. This letter was sent to the Governor and the Chairman of the SCDOT Commission this afternoon.

Please let me know if you have any questions.

Thank you,

Jake Libaire
