Hey y'all!

We, of course, want to help Andrea celebrate her time at News 19 as well as her transition to a new opportunity.

If y'all haven't gotten anything from us by the end of the day Monday, will someone please follow up with us as a reminder to get it done?

Schedule is pretty hectic over the next few days, and the governor is on the road.

Thank you so much for your quick response.
You can shoot the video on your I-phone (please turn the phone horizontal – not vertical – it works best that way).
We're requesting the video be 30 seconds or less.
Feel free to email it to me or Dana Fisher (dnfisher@wltx.com) by 1pm next Tuesday.
Thanks again for all of your help.

Hi Darci,

We heard and are so sad to see Andrea go! I imagine this is something the Governor would be able to do.

Could you please send me all the logistics (time you need it by Tuesday, length of video, best video size/quality, or

anything else you think we might need)?

Thanks,

Chaney

Hi Chaney,
I hope this message finds you doing well.
You may have heard, Andrea Mock's last day at WLTX is next Wednesday.
We're in the process of putting together a "goodbye" tape for her to air on Friends at 5.
It will include a number of people who have been special to Andrea during her 10 years here.

Of course, she considers Governor Haley a friend so we were hoping she could send her a video message.
There are two ways this can happen.
You could record it and email it to us or we can come by and shoot video.
My guess, is the first would be the easiest considering how busy the Governor is.

Please, let me know what works.
We are requesting the video by next Tuesday.
Thanks for your help.
