I think the time is set. It is the ribbon cutting to open the fair that day and we are announcing our new website as part of Senior Day.

Sorry, I meant to copy you on an earlier email to Darryl. Can we do this closer to 1pm? He has an appointment in town at 2.

Is the LG available for this ribbon cutting at the fair on Wednesday, 10/18? If so there are a few people that need to be invited (the initial group who helped provide input / resources for the website redesign... names copied-and-pasted below from a separate e-mail). I'd like to try to give them a week's notice, if possible.

Actually, he's supposed to be in Orangeburg at that time at the Council on Aging. Darryl, that's Ms. Jeffcoat. Do you want to call her and see if we could come later in the day?

Just wanted to follow up to see if the LG was around / interested in the fair on October 18. AARP wants to do a ribbon-cutting type of event to promote / kick-off the new website's launch at the fair before the room gets too crowded with seniors, which is usually between 10:45a and 1:00p, per Patrick Cobb. They will have a booth set up with TVs and promotional items for the new website. Something in the 10:00a to 10:30a range would be ideal before things get hectic, if possible. This would be a simple photo op / chance to say a few words / talk with seniors and folks in attendance... nothing overly complicated.

Just an FYI for the LG's calendar. Senior Day at the State Fair will be Wednesday, October 18 if he's around / interested.

Hank,

I'm a tad early with a hold the date but wanted to get it to y'all. AARP Day at the State Fair will be Wednesday, Oct. 18 from 10-3, Rosewood's building. We had a few issues with the fair and space. I will hold a space for LGOA as we have had in the past and also a separate space for the new LGOA website.
