Thanks – the Governor and I spoke with Superintendent Zais about this yesterday as well. Do you have proposed amendment language or is it more like bulletpoint/narrative commentary? Either way, we'd be glad to take a look. The Governor's conceptually supportive of this – I haven't read the full text of the bill yet, though, so I should put that asterisk on it.

Also, I had a legislator recently ask me – what reading assessment tests were used in Florida during Gov. Bush's tenure? Do you have anything on that? Thanks.

Hello, Christian!

Just wanted to touch base and see what your initial reaction is to Majority Leader Peeler's K-3 Literacy bill, SB 516. Our team has some constructive feedback for the bill's language, when and if you would find that to be helpful.

Also, our offer to come and present before the ad-hoc committee on this or any other Florida reform policy still stands. Either way, we're here to help!

Thanks-
