Subject:Flood snap benefits

This is Community Activist Jack Logan. On yesterday we had about twenty five people to come to the press conference regarding possible criminal action and garnish of wages if someone did not qualify for the snap program. On yesterday again after hearing so many people state to me they were not ask anything about being a victim having flood damages. I went myself to the door at The TD Center and a worker told me all I needed was my ID and social security card. Then listening to WYFF Nigel Robertson interviewing a staffer there stating differently than I received. I did not get any I just wanted to see the process. In Greenville I do not believe eleven thousand people would commit fraud. I spoke myself with the director yesterday in Columbia. I believe the Greenville staff mislead people.
