Subject: Update on the CUFF Act

---

Dear ToNew York,

Last week, thanks to you, we were able to build opposition in the Senate to stop lawmakers from using cuts to Social Security and SSI benefits as an offset for a transportation bill. Your calls and emails helped!

Cuts to these vital programs should never have been on the table in the first place, and while we celebrate a win in this round, the battle is not over. We expect that cuts to Social Security and SSI benefits are likely to be offered again as offsets on other bills in this Congress.

We will not rest until the **CUFF Act** is discredited and put to bed once and for all. And we need you with us. Please watch your email for future action alerts from us. This win proves that we do have the power to stop bad ideas in their tracks—as long as we pay attention and act quickly.

Thanks for all you do.
