Hi there,

I'm sorry I missed you on my demo yesterday.

I wanted to tell you about Andrea, the owner of a smoothie bar called GreenLid. Andrea switched to ZenPayroll because she was frustrated by how long it took her to run payroll with her previous provider.

Now with ZenPayroll, she saves about 8 hours a month. I'd love to find out how much time we can save you. If I may ask, who is your current payroll provider?

I'm looking forward to hearing back soon.

Best regards,

P.S. I know you're busy so if you don't want to receive any more emails from us, a simple "no thanks" will do.
