## **New CFPB tool to help you plan for retirement**

Good afternoon,

In case you missed it, last week we released **Planning for Retirement**, an interactive tool to help consumers make one of the most important financial decisions: when to start collecting their Social Security retirement benefits.

**Check out our new online tool at [www.consumerfinance.gov/retirement/](http://www.consumerfinance.gov/retirement/).**

If you, or someone that you know, are thinking about this important decision, read our five **recommendations** before you claim . Our tool is also available in Spanish, and is optimized for mobile devices.

I hope you will you share these resources with your coworkers, family and friends.

Thank you,

Stacy Canan
