I have a park passport that was purchased last year and expired in March. I read on SC Parks' website that when current passports expire, we'd be given another passport for the month missed at no charge. The parks were closed for most, if not all, of March due to the virus, so I wasn't able to use it. Am I still able to get the month free?

I can tell you that if you purchase a pass online from now through May, it will be punched for June 2021, giving you an extra month. No questions asked. Hope that helps.
