

Mrs. Haley,

Thank you for the thank you letter in response to the check I sent you so that the people of South Carolina may have more water.

I am writing to express my concerns about the 2016 Presidential Election. I have listened to audio books about Donald Trump and Hillary Clinton and really like Donald Trump's ideas. Like many Americans, I am fed up with all the nonsense that goes on in America every day and the fact that nothing is done about it. I worked as a probation officer for six and a half years and saw numerous abuses done by people on welfare and was even more upset about illegal immigrants getting services paid for by taxpaying citizens. I think Mr. Trump's plans to deport illegal immigrants and to lower taxes, as well as to get the budget under control, are exactly what this country needs. I am wondering what I can do to help Mr. Trump become president, however, I thought I would contact someone who works in a governmental position of high authority. If you do not think Mr. Trump is the best candidate, then I would appreciate you telling me who you believe is and why they are a good candidate.

Also, I have noticed the check has still not been cashed. If you could, I would like it to be cashed so that I do not have to continue wondering about whether or not it has been cashed. Thanks!

Sincerely,

A handwritten signature in black ink that reads "Matt Hill". The signature is stylized, with the first name "Matt" written in a cursive-like script and the last name "Hill" written in a more blocky, capital-letter style.

Matt Hill.
