Thank you!! Does the Governor have any ideas of locals made big that she thinks we ought to include?

Dear Governor Haley,

It was such a pleasure to meet with you to share our vision for Yoga Reaches Out South Carolina. We are looking forward to your participation in the yogathon on October 11, 2015. We have some additional details to share with you.

Here is a [video](#) showing highlights from New England's 2015 yogathon. Please feel free to share this video with anyone who wants to understand more about the event and Yoga Reaches Out's mission.

Attached is a flyer showcasing our two South Carolina beneficiaries. The back of the document outlines the varying levels of sponsorship for our event. This document will be helpful for potential donors. We are now ready to reach out to those donors, and we would appreciate any introductions you can make on our behalf.

Finally, we would like to request your permission to include your name, along with Dr. Pastides and Mayor Benjamin, on an email invitation to be sent to notable South Carolinians who may be interested in participating in our event. A sample of the invitation is attached. Will you please confirm that you approve the use of your name on this invitation?

We are excited to work with you and your staff in the coming months as we spread our enthusiasm for unity through yoga and service.

With great appreciation for your support,

Kyra Strasberg & Jessica Lathren
