Attachments: Priority One Activities April 2009.doc

---

Marcia,

Thanks again for taking the time yesterday to talk with me. As a follow-up to our discussion, I have a document that speak to the two priority 1 business opportunities (FDR training and DL verification) and what we have been doing with both, specific to outside sales for FDR and the details for the pilot on DL verification. This will give you some talking points for this afternoon (and anything in here you feel appropriate, I can include in your report to the Board).

Let me know if you have any questions.

Thanks,  
Patrice
