Holly, we spoke to Earl Boudier with the Mennonites and he was very receptive to this idea and has offered us some options.

They have a couple homes near completion and he thinks the homeowners could be included in the production if you would like. He also has a few homes down to studs w/o drywall or insulation if that is the preferred backdrop. He is currently back home in Pennsylvania for a few days but will be returning [on Friday evening](#) and he can scout for the best option(s) on Saturday if we can wait that long.

We told him that we would pass this along and that I, or someone else from our Group would get back to him with our preference.

Your thoughts?
Dan

Dan – need you to work with our BEST VOADs ASAP. Would like to see up a Press Event with a VOAD (here in the midlands if possible). Object is photo-op with Governor AND VOAD working on a rehab project funded by OneSCFund! We need to continue to recognize these VOADs with opportunities with the Governor – their Parent HQs thrive on this stuff! See me for details on Monday. Would like to have options to Holly Pisarik by mid-week. We can discuss enroute to Clarendon County on Monday. Thanks
Kevin

Holly – Dan has the mission. Will have you something by mid-week if that timetable is good with you. Thanks
Kevin
