**"Friends, delegates and fellow Americans: I humbly and gratefully accept your nomination for the presidency of the United States."**

**-- Donald J. Trump -- 07/21/2016**

Katherine,

Can you believe it?

**Donald J. Trump** is now the official Republican nominee for President of the United States. In a powerful speech last night, **Donald Trump proved why he will be the next Commander-in-Chief.**

This country can no longer afford to suffer at the hands of the Obama-Clinton administration.

*The future belongs to **President Donald J. Trump** .*

**Now I am asking you to help us get him there -- pledge your support to Great America PAC today** -- the primary Trump Super PAC responsible for: launching powerful and award winning Pro-Trump ads in every major battleground state, uniting millions of future Trump voters, and working day and night to support Donald Trump for President of the United States.

**Join Great America PAC today and make a contribution of \$25, \$50, \$100, or even \$1000 so that we can continue to build and unify this Trump movement across America.**

We must *never* allow Hillary Clinton to get within striking distance of the White House again.

**Donald Trump will make this country great again, safe again, and first again for every American citizen.**

It is up to us to help him rebut the liberal media attacks, the horrible smear campaigns,

and Clinton campaign machine!

**Step forward today and become a part of something truly special** -- a movement unlike anything ever witnessed before *in the history of American politics*.

Katherine, America is wounded. Our economy is weak. Our wages are down. And our safety has never been more in doubt.

But it is time for Donald Trump to lead this country out of the shadows and it is time to Make This Country Great Again.

**Make America Strong Again**  
**\$50**

**Make America Proud Again**  
**\$100**

**Make America Safe Again**  
**\$250**

**Make America Great Again**  
**\$1000**

Together, we will make America great again. We will build walls for this nation's security and we will build bridges of opportunity.

**Are you with me?** I need to hear from you today.

Sincerely,

Ed Rollins  
Co-Chairman, Great America PAC

P.S. Katherine, with the Democratic National Convention next week, we need to strike while the iron is hot and prepare to discredit their every attack. **Help us continue to defend Donald Trump today with a contribution of \$25 or more.** Thanks, Ed
