Subject: RE: Form Letter SCDOR Data Breach

---

Representative Taylor,

I have spoken to Mr. Sinclair and explained that the letter he received in the mail is confirmation that his information was compromised in the DOR security breach. The letters and e-mails are only being sent to taxpayers whose information was compromised.

Please let me know if I can be of further assistance.

Thank you,

Chrystal.

Please see the stream of emails regarding this letter I received. It is very misleading and makes one personally believe they I fact were compromised.

**Subject:** Form Letter Re: SCDOR Data Breach

I received one today that appears to be a form letter rather than one specific to my tax information namely being compromised. In fact a neighbor got the same letter.

Is this an update sent to all SC Residents, or is it possible I was compromised? I did however sign on to Experian and did not see any threats. Please advise, thanks Rhett.
