The Senate assembled at 12:00 Noon, the hour to which it stood adjourned, and was called to order by the PRESIDENT.

A quorum being present, the proceedings were opened with a devotion by the Chaplain as follows:

Beloved, in Ephesians, Chapter 6:18, St. Paul writes:

"Pray in the Spirit at all times in every prayer and supplication. To that end keep alert and always persevere in supplications for all the saints."

Let us pray.

Father, we understand that in apostolic times the word "saints" referred to all believers. Paul was saying: "Pray in the Spirit," and "pray for each other" and "persevere."

We do pray for each other, that we may instruct each other and support each other. Our goal is the same: the best for all our people. We often differ on means and method!

But give us the guidance of The Spirit!  
Amen.

The PRESIDENT called for Petitions, Memorials, Presentments of Grand Juries and such like papers.

The Senate assembled at 2:00 P.M., the hour to which it stood adjourned, and was called to order by the PRESIDENT.

Beloved, hear St. Mark, Chapter 8:23f:

"He took the blind man by the hand and led him out of the village; and when he had put saliva on his eyes and laid his hands on him, he asked him, "Can you see anything?" And the man looked up and said, "I can see people, but they look like trees, walking."

Let us pray.

Heavenly Father, we daily need the gift of perspective!

Help us to distinguish between men and trees, between the shadow and the substance, between living issues that are vital for the life of our people and the unimportant things that are better forgotten!

Help us to see things in focus... unblurred! So, as the old poet said, "Dawn on our darkness,

and Lend us thine aid."

Amen.

In Ezekiel we read that:

"He said to me, 'Mortal, have you seen this?' Then he led me back along the bank of the river."  
(Ezekiel 47:6)

Friends, bow with me as we pray, please:

Glorious God, just as You reminded Ezekiel to "see the river," so are we reminded today of the incredible water resources we have here in our State. Truly, Lord, South Carolina's rivers and streams, our lakes and ponds, the water which we find on our western border and along the ocean coast, all of these resources are such a marvelous treasure. Continue to grant to each Senator a zeal and a determination to protect and preserve these liquid-assets for the benefit of generations to come. This we pray in Your loving name, O Lord.

Amen.
