South Carolina State Parks

The Lowe's Heroes program, motivates employees to team up, adopt a volunteer project with a local nonprofit organization or public school and make a difference. This year, Lowe's Heroes partnered with the Friends of Kings Mountain State Park to restore cabins at historic Camp York at Kings Mountain State Park. Camp York is on the National Register of Historic Places. Forty Lowe's Heroes' volunteers from four stores in the Upstate, along with eight AmeriCorps volunteers and park staff, worked extremely hard to restore seven, 80+ year-old CCC cabins.

Thank you so much Lowe's and AmeriCorps for your volunteer service, community involvement and passion for parks! You are certainly "difference makers." <https://southcarolinaparks.com/kings-mountain>

Deborah Adams Will the cabins be available for rent?

Thom Koontz Spent many a day and night at the ole CCC cabins and Camp York when I was a lifeguard at Lake Crawford. That would have been in '67 I believe. Life guarding at Lake Crawford was an experience.
