Great! I'll try to catch up with you later today. I've been in trial this week and haven't been able to get back to you.

Hey Katherine,

I had a great call this morning with Mike about the Governor's K-12 Education Conversation. He has a lot of thoughtful ideas on reforming SC's education system, and we will be lucky to have his input in the conversation. I have invited him to join the Governor's teacher forum for future meetings. He is sending me follow-up materials with his thoughts, and I am also going to meet with him in person sometime in the next two weeks to discuss his ideas so that I can pass them along to Governor Haley.

Thanks for connecting him to our conversation!

Rachel
