Subject: Beyond Company Picnics: Empower Your HR Department

Empower Your HR Department to Help Your Organization Thrive

The days when an HR department's only tasks were to "hire, fire and keep the beer cold at the company picnic" are long gone. Take it from Sharlyn Lauby, the woman behind the HR Bartender blog: *Today's HR professionals are challenged not just to stay current with a fast-changing business world, but to excel. How to get ahead? Empower your HR department. It's the key to helping your organization succeed.*
