South Carolina State Parks

at 23:30:00 on 8/15/2014 UTC · 🌐

Touring the new exhibits at the South Carolina State Museum this weekend? If so, stop by the new South Carolina State Park exhibit on the ground floor!

On Saturday and Sunday, the first 50 visitors to post a "selfie" that also features an aspect of the new State Parks exhibit onto the SC State Parks Facebook page will receive a State Park Passport!

1. Post your picture
2. Show your posting to the park ranger on duty at the exhibit
3. Receive your passport.

A State Park Passport is your ticket to the great outdoors in South Carolina, providing the passport holder free and unlimited entry to all 47 state parks for one-year from date of issue.

Remember, the first 50 per day to post, win!
