CABIN AVAILABILITY! Due to a cancellation, we have two cabins available from May 30 – June 6 at Givhans Ferry State Park! These are great little cabins on the Edisto River and about a 30 minute drive into Charleston. Would make for a great little getaway. To reserve contact the park or go online:

## About This Park - Givhans Ferry State Park - South Carolina State Parks

Givhans Ferry is the output of the official kayak and canoe trail of South Carolina, also home to several species of rare plants
