Subject: Senate Education K-12 Subcommittee Meeting Notice

A Senate Education K-12 Subcommittee informational meeting on Common Core is scheduled for Wednesday, January 29, 10:00 AM - Noon, Room 105 Gressette Building. In the first 30 minutes of the meeting, the Subcommittee will hear from several content experts opposed to Common Core; this will be followed by a half hour of several presentations in favor of implementation, then an hour of members' Q&A and discussion.

Please be aware that although Room 105 is the largest in the building, it does have an estimated seating capacity of less than 100. For your convenience, and to accommodate the anticipated level of interest, we arranged to have Live Broadcast. The meeting will be posted on the "Senate Meeting Schedule" website at <http://www.scstatehouse.gov/> next week, and will include a link to the Live Broadcast.

If necessary, a separate K-12 meeting will be scheduled at a later date to hear from the public.

Thank you.
