The Honorable  
Nikki Haley  
Governor of South Carolina  
1205 Pendleton Street  
Columbia, South Carolina 29201

Dear Governor Haley,

My wife and I care for a 10 year old boy, (Gavyn Holochwost) in the morning before school. We serve as the "neighborhood grandparents". Gavyn is an intelligent boy who has much regard between right and wrong and is very respectful to all.

Gavyn is showing an interest in politics. If you would be kind enough to send him an autographed photo, I believe that his enthusiasm for the political field would be greatly enhanced.

Thank you for your consideration to encourage him with your photograph. His information is as follows:

Master Gavyn L. Holochwost

Two for whom Christ died,

A handwritten signature in cursive script that reads "Ray & Patty Sperl". The ink is black and the signature is fluid and connected.
