Mr. Deloach,

Please find attached a package of information about the Governor's Workforce initiative, SUCCEED South Carolina. In addition to the information describing the program, there are two letters from important workforce partners like Technical College System President Jimmie Williamson, SWIB Chairman Mikee Johnson, Commerce Secretary Bobby Hitt, DEW Director Cheryl Stanton, and SC Manufacturers Alliance Pres. & CEO Lewis Gossett. Their hard work with a wide variety of other workforce partners led to the development of SUCCEED South Carolina. There is also a letter of support for SUCCEED South Carolina from the South Carolina Chamber of Commerce. Both letters highlight the importance of this exciting new workforce initiative designed to make sure South Carolina companies find the skilled workers they need at home in South Carolina.

Please don't hesitate to contact us with any questions.

Best,

Austin M. Smith
