The Honorable Nikki R. Haley

Office of the Governor

1205 Pendleton Street

Columbia, SC 29201

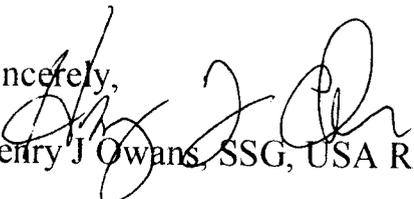

Honorable Governor Haley,

First of all I want to thank you for taking the time to read my letter. I know you are busy taking care of state affairs. I am a retired veteran; I served in Afghanistan 2007-08 time frames, Operation Enduring Freedom with The South Carolina Army National Guard.

My concern is that our state does not have license plates that represent OEF/OIF veterans. I know the state has numerous veteran plates that represent different wars from WW II to The War in Vietnam. With the number of service men and women returning to our state from these wars, I feel that we should have a plate to represent them (me) for the service to their country. I would possibly like to see service specific plates and plates for such awards as earning The Combat Infantryman Badge.

So in closing I would ask that you give this some thought, and direct it to the right people who can make it happen.

Sincerely,

  
Henry J Owans, SSG, USA Retired
