The jam room is open tomorrow for Candice. I'll confirm a time for 1pm. I can make sure she gets there and gets a ride back to the hotel.

Thank BV but Kelly is trying to confirm a comped hour for her at the Jam Room - if not she will stick to her original plan.
Thank you, KV

Candace can mingle between 6:30-7:30 with VIP's. she has asked that her assistant and pianist accompany her at the VIP.
Their names are Katrece Daniels and Jarvis Jett.

She is also requesting a place to rehearse with her pianist. I use the jam room downtown and can see if we can get some time there comped. Other than that where do we have connections for her to have a good solid hour for rehearsals tomorrow? She arrives in the morning.

She is currently planning on driving back to Orangeburg to rehearse unless we can find something local.

Help and thoughts please on a quiet place w a good piano or at least an 88 keyboard near downtown.
