PLEASE keep the reservation system in place at Jones Gap State park after this so called pandemic nonsense is over. We have tried and failed to go there at least 5 times (even before this shutdown). We finally got a reservation and it was wonderful Such a long ride to be turned away time after time. If you can't increase parking at least keep the reservations. PLEASE!!!!

Any chance you can continue to post when parks are closed due to capacity. Today Paris Mtn was a miles long back up at 9:15am. The line didn't even move. People are tired of driving there only to be turned away. Yet anyone can protest and riot with no restrictions and no social distancing. We can't even use our pass, it is too hard to get in. Please communicate when the parks are full!!!
