Thanks, Rob. And hi, Chaney.

I am planning to get there late tomorrow afternoon. Could y'all meet for drinks after work?

Sure. Let us know if you want to get together outside of that time with the governor. I have copied my colleague Chaney Adams, a rock star, on this email, and I'd love to get y'all together for an intro and dinner or drinks or something.

Hi -- I am tentatively planning to come to the conference on Thursday afternoon at USC. Any chance of seeing the governor? I think this story would be in her wheelhouse (changing S.C. economy, job growth, effect on politics)...

Thanks.
