Subject: Team Haley

Please take a second to read this article. These are the stories of the people who have lost so much. The work that all of you have done over the last couple of weeks is changing lives. We won't be able to fix everything but our job is to make sure people don't feel like we don't have their backs. Congrats Halti on a great Team SC Orangeburg day. We had 2800 people show up. All of this work means a lot to the people of SC. I continue to be proud of our team!
