**Subject:** American College of Legal Medicine Meeting - Charleston, Feb 23-25

LG will participate as shown below

Dr. Bill Hinant is the contact

The opening would be great. We can give you about ten or fifteen minutes so you can make some brief comments. We are growing and weathering economic ups and downs by trying to make the state business friendly, including health services.

Again, I think your experience as a pharmacist and some personal insight into the opioid problem and/or other issues impacting health delivery would be helpful. Use your own judgment as to content but feel free to call me if needed. Its largely a group of practitioners, academicians, folks working in government, some regulators and those in the insurance industry. Most all will have personal experience in health care delivery

The Welcome will occur at 0740 on February 23, 2018. You should be out no later than a few minutes after 0800. The meeting will be at the Francis Marion Hotel at the corner of Calhoun and King Streets. If you remain in town, there will be a networking reception that evening around 1830 and you are welcome to join us. We will plan on notifying the media and would hope to get you some coverage on the opening.

The office can be reached at the number below and my personal cell phone is [864.376.2092](tel:864.376.2092).
