Friends,

I have some good news! The Supreme Court has reinstated President Trump's travel ban until the case can be decided by the full court.

Since the President's initial executive order was a 90 day review, and

This case is just one of many that will be heard by the Supreme Court regarding polices enacted by the Trump Administration. Because of this, I have called upon Justice Ginsburg to recuse herself from this case, and any other case involving President Trump or his policies. This call to recuse herself is based on public comments she made last year about then-candidate Donald Trump. Justice Ginsburg has clearly demonstrated that she cannot operate in an evenhanded and impartial manner, and she should recuse herself from considering Trump Administration cases.

Blessings & Liberty,
